Hume & Iser, a fourth generation, family owned company, has been an integral thread in the fabric of Bendigo for over 125 years.

It has outlasted wars, the depression and in more recent times competition from multinational hardware chains to become Australia's largest HOME Hardware store.

From the slums of gold fever, to beautiful streets of Victorian cottages and even our most famed heritage buildings such as the Town Hall and the Art Gallery came to life with the help and dedication of Hume & Iser.

Always a progressive company, Hume & Iser is all about remembering the past and looking forward to the future

OKLAHOMA!
August 2007

3BO fm 93.5

The best songs of all time

93.5 3BOFM covers Central and Northern Victoria including Bendigo, Echuca, Kerang, Maryborough, Castlemaine and Kyneton.

3BOFM has a golden history with Central Victoria dating back to 1931. This year the radio station celebrates 75 years and many current TV and Radio Stars started their careers on our radio station, including Glen Ridge and a bloke named John Laws in the 50's.

Broadcasting from a local spot which was the Beehive building right in the heart of Bendigo before a big move in 1987 to the the present site in Golden Square and the move to FM in 1993, 3BOFM services around 220,000+ people.

We're part of the Macquarie Regional Network, Australia's largest and most progressive regional network, fiercely proud of our role as a broadcaster and program makers for the approximately 40% of the population who choose to live outside of Australia's capital cities
